

Ladies and gentlemen, dear friends of the crossbow match.

Below is my activity report for the period 2021 – 2025.

As you know, the COVID crisis halted all sporting events. All European and world championships were canceled by the various organizers. In 2022, we were able to start our international activities. We managed to organize the various World Cups in the 10 Meter crossbow match to start, and then also in the 30 Meter crossbow match.

In 2022, the Austria OPEN opened the year from June 16 to 19 in INNSBRUCK (AUT).

From August 26 to 27, the second round of the World Cup in WIL (SUI).

From September 26 to October 1 in STRASBOURG (FRA).

From November 18 to 20, the finals in MUNICH (GER). Starting in 2023, we also added the World Cup at the distance of 30 Meters.

The competitions begin in MUNICH (GER) from June 1 to 4, 2023.

The second round in INNSBRUCK (AUT) from June 8 to 11, 2023.

The third event in WIL (SUI) from August 3 to 6, 2023.

Year 2024

1st round of the World Cups in INNSBRUCK (AUT) from May 30 to June 2 2024.

2nd round in WIL (SUI) from August 1 to 4 2024.

Finals in STRASBOURG (FRA) from October 3 to 6 2024.

The World Cups resumed in 2025 in INNSBRUCK, STRASBOURG and the finals in WINTERTHUR, Switzerland in October.

Most of the time, I am present at the various competitions. I participate in the various online meetings organized by the IAU executive committee as much as possible.

To end on a positive note, next year a major European Championship will again take place for both divisions in CHATEAUROUX from August 3 to 8, 2026.

Thank you for your attention.
