

Guidelines for IAU Training Academy

IAU Training Academy Courses

1 BACKGROUND

- 1.1 Special IAU training courses for coaches were approved by the IAU Executive Committee in Pärnu (EST) July 1, 2018.
- 1.2 These diploma courses are designed for national coaches from IAU Member Federations to achieve an international coaching qualification.
- 1.3 Coaching Diplomas are of two categories: "A" and "B".
- 1.4 It is necessary first to attend a "B" course and if successful an "A" Course.
- 1.5 The IAU Academy also offers a regional or national coaching course "C" which is held in the local language of the region in which the course is hosted. Material and certificates will be provided by the IAU Training Academy.
- 1.6 A course fee is payable by each student attending a Coaching Diploma course. This covers the cost of running the course and any associated accommodation, meals and local transportation.

2 COACHING DIPLOMA COURSES

- 2.1 Official recognition of IAU Training Academy Courses will be decided by the IAU Executive Committee.
- 2.2 Instructors for these courses are chosen from those having specialist knowledge of the various topics in the course program.
- 2.3 Assistant Instructors, with similar qualifications, also may be designated depending upon the number of students attending.
- 2.4 The recommended course program lasts two (2) days.
- 2.5 The knowledge of the students is assessed by various tests at the different levels.
- 2.6 The results are reported to the IAU Executive Committee annually.

3 APPEALS

- 3.1 Any student may appeal in writing against the decision that he has failed a course. The appeal will be considered by the IAU Executive Committee.
