

IAU Executive Committee

3. Meeting, Orel, Russia, 8.12.2018

Draft of the Resolutions for IAU Marketing

#### 1. Resolution

IAU Executive Committee has made the resolution: the organization will hold the competitions using one type of targets manufactured by a chosen manufacturer.

The Executive Committee entrusts the Chairperson of Field and Match Technical Committee and the IAU Chairperson Marketing Advisor with the responsibility to choose the most suitable target manufacturer for the resolution. Draft Agreement with the target manufacturer should be prepared. Deadline: 30.06.2019.

#### 2. Resolution

IAU Executive Committee entrusts Field and Match Technical Committees with the responsibility to comply the referees' gear with the standards and its technical requirements.

Complied referee's gear is an obligatory requirement for all referees with the IAU referee certificate.

The deadline for the Technical Committees to fulfill the resolution is 30.04.2019.

#### 3. Resolution

IAU Executive Committee entrusts Field Technical Committees together with IAU Administrative Office with the responsibility to find a manufacturer of electronic boards for the competitions in Field. IAU Chairperson Marketing Advisor should prepare an Agreement for electronic board manufacturing and supply.

Note: once a qualitative electronic board is chosen, all competitions under IAU must be held with IAU board.
