

IAU Doping rules

EC IAU meeting, Moscow December 7, 2017

Part of point 3

Conclusion

Anti-doping control is conducted on the last day of the IAU supervised championships and competitions (World Championships, Continental Championships): Field 3 samples (on World Cups 2 samples) and Match 2 samples all by drawing of the winners by the disciplines.

Certifies

Pero Stojnic

A handwritten signature in black ink, appearing to read 'P. Stojnic', is written over a light grey rectangular background.
