**Subject: Invitation to the IAU General Assembly**

Dear friends,

We hope that you are still safe and healthy while trying your best to prevent the spread of COVID-19.

As you have been informed, together with the World Championship in Latvia, it was planned to hold the next IAU General Assembly. Unfortunately, the Covid pandemic still does not allow a normal organization of sports championships, for which the 2021 World Championship in Latvia had to be cancelled. Thereby, the IAU Executive Committee decided to hold the General Assembly not in person, as it is the usual practice, but extraordinarily via an online video conference.

The IAU General Assembly will be held on August 28, 2021 at 10:00 am CET, via Zoom video conference. The IAU Office will send you all the necessary information and instructions for joining the meeting before the General Assembly.

The tasks of all IAU Member Federations before the General Assembly are to think about the amendments to the statutes and proposals for the agenda. Attached you can see the agenda draft. For any further proposals regarding the agenda, please contact the IAU Office not later than July 3, 2021. The IAU Office will send you the final agenda by July 31, 2021.

Any proposals regarding the amendments to the Statutes shall be sent to the IAU Office not later than May 28, 2021 and must be signed by the President and the Secretary General of the Member Federation proposing the amendments.

Additionally, attached you can find nomination forms for the upcoming elections. Please return them to the IAU Office not later than July 24, 2021.

We look forward to seeing you at the online General Assembly.

Kind regards,

Pero Stojnic

IAU President
